"Mallinckrodt Home"

This residence was built in the year 1840 by Emil Mallinckrodt, one of the old settlers from Germany.

During the early days of the City of St. Louis there were a great many immigrants from Bremen Germany settling in the northeastern part of the city, which they called "New Bremen".

Mr. Edward Mallinckrodt, son of Emil, was the founder of the well known Mallinckrodt Chemical Company.

The present owner of the property is a Mr. Guffey.

Information received from Mr. A. Reller, President of the Bremen Bank of St. Louis.

EUGENE L. PLEITZCH.
